1. This is the beginning of the end of the me-nots. The me-nots vanish/vanquished. Hallelujah. Amen.

2. I love you of me, me being, me being me in my body real and thought vanquished/vanishes that thinketh of itself life apart from mine. I am me, all things, life and light and allness that knows no lack, not, not. **There is/can be no lack in my kingdom**. See what/all I am saying, revealing, and sooneth thou bosom mine, mine in yours in mine and one seamless and there is no other. Tell all and **show the deserving, not; the sincere lowly, contrite of heart regardless of station**. I love you.

3. This is the moment, the hour, the cataclysm/cataclysmic operation of the moment that knows no end, but that of mine, not; the end of me-not.

4. The Christ falls not; but all else does. Into the sea? Shaken? All things become/shake and the **not-me reside in me-not, but see ultimately all things mine/reclaimed.** I love you all.

5. Thou art priests unto Melchizedek and who can see the wall/handwriting on the wall, the wall giving way and the writing,s of not-me fade/fizzle; and who can see the truth reflected in them, them being truth; in them, about them, and them being it/me? I love you.

6. This is the time and reflections on me: not enough. Thou art all or nothing; existent or existentless, vanquished. You choose/all choose. I love you all.

7. Time tameth all things, not; yea see time tamed and you under my foot, not; but it is, yours. I love you all. Psalm 110 see ingest and who can see all meaning/I mean in those few words? You have, you do, you settle all, not; but much/many interruptions of not-me that now cannot stand in your/my presence. I love you.

8. The vanquished foes reside in me. See all things turn around, not; but with no shadow or variableness of turning. One speed, not as/in thought, but one: mine. Being me, how else can one be? I love you.

9. I have given you this/me. I have given you ***time***.
I have given all things unto thee/me.
Thy/my kingdom is one and the same, for all, not; but surrenderers.

The time came/is now. **The beginning ended/ends.**

10. Thou art a priest and Melchizedek knows my/our name. Him, one; us. We are/now one, one many.

11. Vanquished foes reside in me having surrendered.

12. See me my statements of turnarounds/turn-froms and those forsaking all that once thought they were me without me, now giving me all to know/operate in me as true truth really, now and forever always.

13. I love you forgiver. Forgiveness reigns supreme, sacrifice one; sacrifice constantly/continuously.
Thank you for dying.
I resurrect/resurrected you.
You took not yourself/thought again.
You reside in/only in me/my all.
My all given for my all, all now reside in me.
Complete again.
Hallelujah.
Hallelujah.
Amen.

14. Thank you for typing again; wordflow of only me; savior not, you me and many moreso'd now and forever always; Sauls into Pauls and seamen into Teds. I love you all. Seas of only me, my word covers the/all seas. Sea of one. Now beautiful/lovely: one. Amen. Me. Thank you again. Thank you forever. All things up your sleeve, not; into open heart'd ones of only me/forgiven ones, forgiving all.
Me.
See.
Me

Amen
